They are issued in some of \$50, \$100 and \$500. An opportunity is thus afforded every citizen to enske a secure and profitable inwestment, while contributing aid to the cause in which the State is engaged. With the view of enabling citizens in any part of the State'te share in the Lonn, the Clorks of the Courts of the govern districts have been requested to open books of subscription for the Stock. Suitable arrangements will be made for furnishing the Bonds on the receipt of the money, at an early day after each subscription has been made. Engagements for the purchase of Bends may be made at the Bank, or at any of its Banches. It is probable that, at the next Session of the diegislavure, those parties who desire it may have their Bonds converted into Stock.
